

COVID-19 PROTOCOLS

We are happy to invite you and your family to schedule appointments at all five of our locations. Our offices will be following recommended protocols during this time in order to ensure that we are protecting both our patients, and our employees.

Prior to your appointment, please review the following information to better-prepare you for your visit with us:

- Please wear a mask to our offices; our employees are also required to wear masks.
- Call our office when you arrive. We will welcome you at the door.
- A health screening and a temperature reading will be performed as you enter the office.
- Optical services will be by appointment. Call our office if your eyeglasses need a repair or replacement.

We appreciate your patience during this time, and look forward to seeing you soon! Please give our offices a call with any questions or concerns.
